TAKE-AWAY PACKAGING: HOT DRINK CUPS FOR THE COLD SEASON

The new **thermo cup** is a real hot candidate for the take-away segment. Thanks to its thermo-insulating properties, the handy cup is specially designed for hot drinks and is particularly versatile (snack bars, gastronomy, events, etc.). Hot on the inside, pleasantly warm on the outside; our colourful classic cardboard cup is also excellent for enjoying coffee, tea, cocoa, punch or a tasty broth in the cold season.
